

Do you have what it takes to be our next new face?

62 Models is constantly on the lookout for new faces. If you think you have what it takes, we would love to hear from you!

All you have to do is follow this guide to get the ball rolling.

Before pushing send on that email make sure you have included the following:

- Your name
- Date of birth
- Contact phone number
- Your measurements:
 - Height
 - Waist
 - Hips
 - Clothing size

Of course most importantly we need to see what you look like, so you'll need to attach 2 photos of yourself.

Make sure to include a clear head shot and a full length image. Front on shots in natural light are best, so keep make up to a minimum and avoid baggy clothes.

Your photos don't need to be professional, a few snaps on your digital camera following the above suggestions will do the trick. Please ensure the photos do not exceed 1MB each and are saved as jpegs

Last but not least please only apply if you are 16 and over, or have parental permission.

Now get moving and send in your application to enquiries@62models.com or, if you have any questions, feel free to call us on 09 377 6262.

We look forward to hearing from you.
